Dear Professor Tudose,

Oct. 20, 2016.

On behalf of the Hungarian Psychiatric Association, we cordially invite the Romanian Association of Psychiatry and Psychotherapy to partake in our traditional co-organization of the Hungarian – Romanian Joint Conference on Psychiatry. The conference will take place January 27, 2017 in Siófok, Hungary, in tandem with the Annual Conference of the Hungarian Psychiatric Association.

The event offers an excellent opportunity for the exchange of knowledge and experiences, while simultaneously serves as a forum for the establishment of future collaborations .

Please find enclosed the announcement of our conference with detailed information.

We are looking forward to your response concerning organizing the conference and participating in it as well. In accordance with our previous joint conferences, we suggest that Dr. Albert Veress be appointed organizer on behalf of the Romanian Association, as both parties have been completely satisfied with his work so far.

We hope to receive feedback from you at your earliest convenience.

Best regards,

Péter Osváth MD, PhD  
Chair of the Scientific Committee

György Purebl MD, PhD  
President of the Hungarian Psychiatric Association
